

# Just the FACTS

## 10 THINGS

you should know about VARtek—Education's IT Partner

**1** Since 1989, VARtek has partnered with **more than 100 schools in 9 states** and **resolved more than 500,000 issues**.

**2** VARtek **supports 60,000+ devices** every day.

**3** The principals VARtek serves give us a **95% approval rating**.

**4** VARtek professionals have **more than 30** different IT certifications.

**5** **20%** of our staff are former educators.

**6** **We guarantee that at least 60%** of all issues will be resolved **within one day and 80% within three**.

**7** VARtek servers have **exceeded 99.9% uptime** for all of our schools over the last **10 years**.

**8** VARtek has been on the ground floor **leading 1:1 implementations for schools ranging from 400–15,000 students**.

**9** We help schools **right-size their IT budgets**.

- Our recommendation: **2% of total budget** allocated to technology.
- In some cases we've helped schools **save 5%-12%** of their technology spend per student.

**10** VARtek makes continual investments in **employee education and training**.

- Offers **\$2,000 annually** toward each employee's continuing education.
- Provides **60+ transparent performance reports per year** on accomplishments and challenges.

*"Our partnership with VARtek has afforded us the flexibility to increase our technology support staff during peak times. This has allowed us to keep our end users' technology up and running."*

**—Chris Merritt,  
Chief Technology Officer  
Kettering City Schools**

VARtek offers **three flexible options** for partnership as well as an extensive **5-point Audit**

**Full IT Outsourcing**

**Staff Augmentation**

**Specific IT Services**
